GUEST SPEAKER

Our *September* Guest Speaker is Author **Morad Hassan**. Getting Outside the Asylum is Morad's passion in life and diving. He loves to be underwater, whether it's in a swimming pool or a tropical reef he's most at home beneath the surface. He started his diving career in the crystal clear springs of Florida and is

headed back there to start his cave diving courses. Morad spent several years teaching scuba diving in Houston, Texas before moving to his favorite dive location, the Red Sea.

He spent several more years in Egypt guiding, teaching and perfecting his diving skills with continuing education. He trained with some of the biggest names in the International technical diving world and now brings his experience, passion for diving, and zest for fun back to Houston.
