GUEST SPEAKERS

Our **June** Guest Speaker is Dennis Deavenport of **HUPS & BAD!**

His presentation is on diving the legendary Jardines de la Reina off the south coast of Cuba. The show has a lot of pictures and video taken in Old Havana and around Cuba. Jesse Cancelmo, the trip coordinator can't be at the presentation but he gave me his PowerPoint show and pointers on what he saw and did on his 5 trips there shooting pictures for his book, *Glorious Gulf of Mexico*.

You'll get to see the whole experience including shark encounters, schools of tarpon, groupers large and in charge, salt water crocs, and all of the usual suspects. It's about as good as diving gets in this hemisphere. One heck of an experience.
