Diver of the Year

It is time to select our 2020 Bay Area Diver of the Year.

We honor one of our members each year for their contributions to the club. We have a small ceremony in which we present an award to recognize one of ours who has gone above and beyond in their efforts. In addition to their award, the recipient of Diver of the Year is also granted free membership for the upcoming year.

We ask that our members submit nominations with a short write up that we can present to the club members that describes why that person would be a good candidate. Consider nominating members in good standing that have lead events or provided significant contributions to Bay Area Divers and the diving community.

The deadline for nominations is December 10th. We will post nominations with the corresponding write-ups on Facebook, and the membership will vote in December.

Please submit your nomination to info@bayareadivers.org or the Facebook event with the person's name and a short write-up of why you believe the candidate should be our 2020 BAD Diver of the Year. Must be a member in good standing to nominate a candidate or vote.

The results of the voting will announced at the Annual Bay Area Divers Christmas Party. We will have in-person ballots at the Christmas Party and send email ballots for those who wish to vote remotely.
